SUMMER AT THE LIBRARY!

Find storytimes for young children that fit your schedule—even nights and weekends.

Teens can play video games and talk about the latest manga at monthly programs.

Need a bag of beach—or backyard hammock—books? Get recommendations online or at the library.

Colorful exhibits by talented local artists provide an added bonus to a visit to any branch.

Summer Reading Clubs begin June 1st . Check out great books and win cool prizes! Sign up in person or online at LibraryPoint.org
